DETAILED ACTION

1. Amendment filed 05/24/2004 is acknowledged. Claims 13 is canceled. In regard to withdrawn claims 7,8, 15-20, applicant informs that these claims can be canceled by Examiner upon allowance of the claims currently under consideration.

2. Applicant's arguments have been fully considered and they are deemed to be persuasive-in-part. Objection to the claims and rejection under U.S.C. 112, first paragraph (paragraph #8 of the previous Office action), as well as some of the rejections under U.S.C. 112, second paragraph will be withdrawn. Before proceeding with further prosecution of the application, the further election of species requirement was deemed to be necessary:

3. The claims are individually or dependently directed to a plurality of disclosed patentably distinct of residues that ought to be able to be interacting with a putative inhibitor - see claims 10-12.

Further, the claims are directed to plurality of types of binding of the putative inhibitor (salt or hydrogen bonds) - see claims 11, 12.

Applicant is required under 35 U.S.C. 121 to elect a single disclosed species for both types of species indicated above, even though this requirement is traversed.

Art Unit: 1631

Should applicant traverse on the ground that the species are not patentably distinct, applicant should submit evidence or identify such evidence now of record showing the species to be obvious variants or clearly admit on the record that this is the case. In either instance, if the examiner finds one of the inventions unpatentable over the prior art, the evidence or admission may be used in a rejection under 35 U.S.C. 103(a) of the other invention.

4. It is advisable that applicant indicates support in specification for the particulars of claims 10-12, as well for "structure coordinates" addressed in claim 1.

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Borin whose telephone number is (571) 272-0713. Dr. Borin can normally be reached between the hours of 8:30 A.M. to 5:00 P.M. EST Monday to Friday.
